**XPA SERIES**

XPA-1 G2 Class A/B Monoblock	600w RMS @ 8 ohms, 1000w RMS @ 4 ohms, fully discrete, fully balanced, Differential Reference Design, switchable Class A and Class A/B operating modes, solid milled aluminium faceplate, massive high current toroidal power supply, balanced and unbalanced inputs, advanced microprocessor operating system which protects the amplifier from all fault conditions	R	32 990,00	<a href="#">Spec</a>
XPA Gen 3 <b>Modular Amp</b> 2 channel	300w RMS @ 8 ohms, 550w RMS @ 4 ohms, true audiophile-quality sound, optimized soft-switch class H power supply technology, <b>fully modular construction</b> , heavy steel 4RU chassis with milled aluminium faceplate, balanced or unbalanced inputs, audiophile-grade protection	R	25 990,00	<a href="#">Spec</a>
3 channel version of above		R	32 990,00	<a href="#">Spec</a>
4 channel version of above		R	36 990,00	<a href="#">Spec</a>
5 channel version of above		R	41 990,00	<a href="#">Spec</a>
6 channel version of above		R	46 990,00	<a href="#">Spec</a>
7 channel version of above		R	52 990,00	<a href="#">Spec</a>
9 channel version of above		R	54 990,00	
11 channel version of above		R	54 990,00	

**BasX Series**

BasX A-100 stereo Flex amplifier	50w RMS @ 8 ohms, 80w RMS @ 4 ohms, massive toroidal transformer	R	6 990,00	<a href="#">Spec</a>
BasX A-150 stereo power amplifier	75w RMS @ 8 ohms, 150w RMS @ 4 ohms, great sounding Class A/B output stage, heavy duty linear power supply, heavy steel 2RU chassis with milled aluminium faceplate	R	8 990,00	<a href="#">Spec</a>
BasX A-300 stereo power amplifier	as above but 150w RMS @ 8 ohms, 300w RMS @ 4 ohms	R	11 990,00	<a href="#">Spec</a>
BasX A-500 5 channel power amplifier	110w x 5 channels @ 8 ohms RMS, 190w x 5 channels @ 4 oms RMS	R	14 990,00	<a href="#">Spec</a>
BasX A-700 7 channel power amplifier	7 channel version of the above	R	17 990,00	<a href="#">Spec</a>
BasX A-800 multiroom power amplifier	provides 8 channels of amplification which can be used as 8 separate channels or 4 stereo pairs or as 4 bridged channels each capable of delivering high power, 50w x 8 channels at 8 ohms RMS or 80w x 8 channels at 4 ohms RMS	R	14 990,00	
BasX A-5175 5 channel power amplifier	175w x 5 @ 8 ohms RMS, 250w x 5 @ 4 ohms RMS, Class A/B output stage, heavy duty linear power supply, heavy duty steel 3RU chassis with milled aluminium faceplate, audiophile-grade fault protection	R	24 990,00	

**PREAMPS/PROCESSORS/STEREO RECEIVERS**

XMC-1 7.2 ch AV processor HDMI 2.0	Exclusive Dirac Live 7.2 automatic room correction, twin Texas Instruments DA710 32-bit, floating-point, dual-core 300MHz DSP engines, fully independent crossover settings, HDCP 2.2, dual Analogue Devices ADV7625 video mux's for bit-perfect video switching, Burr-Brown ADC's and DAC's, Texas Instruments AM1808 Sitara Arm 9 32 bit 375 MHz processor, 5.5" OLED blue display, high quality machined aluminium remote	R	69 990,00	<a href="#">Spec</a>
XMC-1 7.2 ch AV processor HDMI 1.4	as above but HDMI 1.4 only version	R	54 990,00	<a href="#">Spec</a>
XSP-1 Differential Reference preamplifier	2ch pre-amp with balanced in and outputs, loop function for Home Theatre with stereo sub output.MM/MC phono stage and analogue bass management	R	32 990,00	<a href="#">Spec</a>
BasX MC-700 7.1/4K/HDR AV processor	7.1/4K/HDR home theatre processor, 6 in 2 out HDMI, APTx Bluetooth	R	19 990,00	<a href="#">Spec</a>
BasX TA-100 stereo receiver with DAC	50w x 2 RMS @ 8ohm integrated amplifier/pre-amp/DAC/tuner.	R	12 990,00	<a href="#">Spec</a>
BasX PT-100 stereo pre-amplifier	FM Tuner, Analogue and Digital inputs, built in Phono Pre-amp with MM & MC	R	8 990,00	<a href="#">Spec</a>

**BasX ACTIVE SUBWOOFERS**

BasX S8	8" Front firing Class D 150w RMS Active Subwoofer	R	5 990,00	<a href="#">Spec</a>
BasX S10	10" Front firing Class D 200w RMS Active subwoofer	R	8 990,00	<a href="#">Spec</a>
BasX S12	12" Front firing Class D 300w RMS Active Subwoofer	R	11 990,00	<a href="#">Spec</a>
